Poznań, 25 March 2008

Dear Sir/Madame,

We, Agata Ficerman, headmistress of IV Liceum Ogólnokształcące im. KEN High School, Ryszard Pyssa, headmaster of Zespół Szkół Komunikacji High School, Elżbieta Gorączniak and Sandra Lasota, coordinators of the project at the schools mentioned above, would like to invite you to this year's meeting of head teachers. It will take place parallel to our final meeting of the International Comenius Project in Poznan from April 11 to April 16 2008.

Besides the final evaluation of the project and many other activities (visit to our school council, getting to know the city) we will actively take part in the preparation for the final Comenius Project Fair on Tuesday April 15. Adding to the project we will install a fair stand about “Annual meetings of head teachers” on Saturday morning. We would like you to bring materials and photos from our meetings and, in addition to that, more information about your school (e.g. photos, leaflets, documentaries, videos or films).

The overall schedule of the Project Meeting can be found on our website: <http://www.comenius.lo4.poznan.pl/targicomeniusa> Soon you will receive a detailed schedule. We hope that you will actively participate in our final meeting here in Poznan.

With kind regards

Yours

Agata Ficerman
